The 2016-18 Papua New Guinea Demographic and Health Survey (2016-18 PNG DHS) was implemented by the National Statistical Office from October 2016 to December 2018. Funding for the 2016-18 PNG DHS was provided by the Government of Papua New Guinea (GOPNG), the Australian Government Department of Foreign Affairs and Trade (DFAT), the United Nations Population Fund (UNFPA), and the United Nations Children's Fund (UNICEF). ICF provided technical assistance through The DHS Program, a project funded by the United States Agency for International Development (USAID) that provides support and technical assistance in the implementation of population and health surveys in countries worldwide.
